LuxePad i9010

Ultra-Thin Bluetooth Keyboard for iPad mini

Experience iPad mini with the LuxePad i9010, a brand new Bluetooth 3.0 keyboard from Genius that brings you more convenience, efficiency, and entertainment. LuxePad i9010 provides a cable free workspace by connecting your iPad mini via bluetooth 3.0. The scissor type key structure is ultra smooth and provides great tactile feedback. Use eleven specific function keys for quick access to a variety of iPad features, and enhance the controllability and enjoyment. Plus you can easily carry it with your iPad mini using the clip-n-go design. The magnetic clip securely attaches the keyboard cover instantly to your iPad mini, so you can easily carry it when traveling. LuxePad i9010 wakes and sleeps automatically by opening and closing the cover in order to extend battery usage. The versatile stand holds your iPad mini at the optimum viewing angle.

LuxePad i9010 turns your iPad mini into a mini laptop for emailing and surfing the web easier and quicker.
